# Batch Screen For Transfer Documents

M	Doc. No.	From Whs	Date	From To	Comments	Qty
1155500	J/25/93	01/02/98	0001 0210	In quarantine until end March 1998.	001 3	
1155500	J/25/93	01/02/98	0001 0210	To be re-checked for damaged goods.	000	
1155500	J/25/93	01/02/98	0001 0210	Store away from dust and water. To Re-101900	000	

Document Management made easy.

Re-view Batch Transactions by Document No.

Group them by Warehouse or Reference (Job) and print them.

Re-visit and amend batches not yet committed to stock.

Add memo details to all batches.

Keep track of stocktake batches, issues, transfers, etc.

## Batch Transfer Notes Details

Unlimited Stock transactions per batch with real time balance display.

During Stock Take key-in counted quantity and observe real time stock balance.

Choose to 'commit to stock', 'save without committing', or 'cancel'.

Re-visit repeatedly for corrections until final commitment to stock.
